

The instructions below summarize the steps that practitioners must take to register with the New York State Department of Health's (NYSDOH) Medical Marijuana Program. A practitioner must meet each of the following requirements prior to registering:

1. Possess a Health Commerce System (HCS) Medical Professions Account User ID and password.
Practitioners who do not have an HCS Medical Professions Account may create one by following the instructions provided in the following link:
https://apps.health.ny.gov/pub/ctrldocs/paperless_docp.pdf;
2. Possess an active Drug Enforcement Administration (DEA) Registration Number; and
3. Complete the mandatory 4-hour department-approved medical use of marijuana course. A copy of the course completion certificate (as a PDF) must be emailed to mmp@health.ny.gov, along with the practitioner's State License number and HCS User ID. NYSDOH will validate the information provided and send confirmation to the practitioner that will authorize the practitioner to register.

Practitioners who have not completed the course may learn more about the course from the NYSDOH Medical Marijuana Program's website:
https://www.health.ny.gov/regulations/medical_marijuana/.

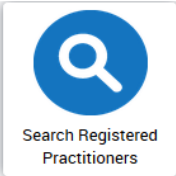

Practitioners who meet the requirements listed above may proceed with the following steps to register with the NYSDOH Medical Marijuana Program:

1. Log in to HCS at <https://commerce.health.state.ny.us/>.
2. Select the Medical Marijuana Data Management System (MM DMS) from the *My Applications* Menu.
If MMDMS is not listed in the *My Applications* Menu, select *All Applications* from the *My Content* dropdown menu, click the M tab, find the MMDMS application in the list, and click the green and white "+" icon in the Add/Remove column to add the MMDMS application.
3. On the Practitioner Portal select the "Practitioner Registration" button (shown below).

Practitioners can find more information about becoming a registered practitioner by visiting the following webpage: https://www.health.ny.gov/regulations/medical_marijuana/practitioner/. For the sole purpose of referring their own patients to registered practitioners, those practitioners who are unable to register, or who choose not to register, can click on the "Search Registered Practitioners" option in this application to search for physicians registered with the program. Only those registered practitioners who have provided written consent to the NYS Department of Health (Department) will display within the application's search menu. The Department reserves the right to revoke a practitioner's privilege to search for registered practitioners.
